

# Bring home a nerd tonight!

From his appearances in Harvey Pekar's *AMERICAN SPLENDOR* comic-book to MTV segments to movies like *KILLER NERD*, *TOWNIES* and the award-winning, big-screen *AMERICAN SPLENDOR* adaptation, Toby Radloff has achieved fame — for being a “Genuine Nerd!”

Underground filmmaker Wayne Alan Harold (*TOWNIES*) profiles his friend and collaborator in this truly unique, truly nerdy documentary! See Toby's customized “Nerd Mobile,” check out his swinging bachelor pad and hear his hilarious musings on hamburgers, the internet, world politics and (of course) being a nerd!

Featuring appearances by *AMERICAN SPLENDOR* creator Harvey Pekar, Judah Friedlander (the actor/comedian who played Toby in the *SPLENDOR* movie) and comic-book artist P. Craig Russell!
