#### SYNOPSIS:

There is an abandoned asylum in a small town that is said to be haunted. A group of college students decide to spend Halloween night there to party and also to research the history of the asylum for a class project.

As the night moves on, secrets come to light that one of the students might be related to Smiley. It becomes a race to see if the students can find a way out and discover the truth behind the asylum's secrets before they are all brutally murdered.
