

EVIL IS SEEING DOUBLE!

THE EVILMAKER (2000, 99 mins.)

Starring *STEPHANIE BEATON, FELICIA PANDOLFI, ARLENE HENRY, DORI SCHWARTZ*
First time available on DVD! Serena returns home after escaping an abusive relationship to spend time with three of her friends from high school. A weekend at the beach seems like an ideal way to relax and relive the old days until their car breaks down near an abandoned house. What starts out as a creepy night turns into three days of hell as they experience terror around every corner while they fight to survive The Evilmaker!

ABOMINATION: EVILMAKER II (2003, 79 mins.)

Starring *KYLENE WETHERELL, FELICIA PANDOLFI, JON WILMOT, SHANNON*
A year after tragic events struck four close friends, the mystery of their disappearance still has not been solved. One family member dares to hurl herself into a web of darkness and evil in order to find out what really happened. The evil unleashed from her actions will have a terrifying consequence for everyone as they combat The Evilmaker!
