

# Where will you be when the dead walk the Earth...?

Unexplained explosions rock several major U.S. cities. As the night unfolds, more mysterious events are yet to come. In Baltimore, five strangers take a stand as the world is rapidly consumed by the living dead! A man stuck in a traffic jam narrowly escapes to warn others of what's heading their way... best friends fight to return home and find the fate of their families... a mother and son desperately seek to escape the horrors gathering outside. While each human stands to fight and survive, the army of the dead continues to grow...
